

15HLT01 MetVBadBugs

Quantitative measurement and imaging of drug-uptake by bacteria with antimicrobial resistance

Agenda for Kick-Off Meeting at NPL, Bushy House, Bushy Road, Teddington, TW11 0EB, UK

13th/14th June 2016

Day One – Monday 13th June 2016

- 12:00** Buffet lunch will be provided at Bushy House
- 13:00** Welcome *(Paulina Rakowska - NPL)*
Tour de table with introduction from each partner *(All)*
- 13:45** Overview of project objectives *(Paulina Rakowska - NPL)*
- 14:00** WP1: Well-controlled model systems to allow cross-platform measurement of penetration, accumulation and efflux of antibacterial agents. *(UNOTT)*
- Short presentation and discussion led by UNOTT
- Project objectives and plans for the next 6 months
- 15:00** Coffee break
- 15:30** WP2: Imaging and localisation of antimicrobials in bacteria and biofilms *(NPL)*
- Short presentation and discussion led by NPL
- Project objectives and plans for the next 6 months
- 16:30** WP3: Dynamic measurement of biocide interaction *(INRiM)*
- Short presentation and discussion led by INRiM
- Project objectives and plans for the next 6 months
- 17:30** **Close**
- 19:30** Meet for dinner at The King's Head, 123 High Street, Teddington, TW11 8HG

Day Two – Tuesday 14th June 2016

09:00	Review of day one and introduction to day two	<i>(Paulina Rakowska, NPL)</i>
09:10	WP4: Quantitative measurements of biocide concentration - Short presentation and discussion led by PTB - Project objectives and plans for the next 6 months	<i>(PTB)</i>
10:10	WP5: Creating impact - Short presentation and discussion led by BAM - Project objectives and plans for the next 6 months	<i>(BAM)</i>
10:55	WP6: Management and coordination	<i>(Fiona Moriarty, NPL)</i>
11:30	Any other business Next meetings Stakeholder meeting	<i>(all partners)</i>
12:30	Close
